

Full Range Speaker Unit

Audio Nirvana Classic 8" Cast Frame

Specifications  
&  
Thiele/Small Parameters

|                                 |                                                  |
|---------------------------------|--------------------------------------------------|
| Impedance                       | : 8 Ohm                                          |
| Minimum Frequency Response      | : 46 Hz                                          |
| Reproduction Frequency Response | : Fo~20K                                         |
| S.P.L.                          | : 95.3dB/W(m)                                    |
| Rated Input                     | : 30 W                                           |
| Music Power                     | : 50 W                                           |
| Equivalent Diaphragm Radius     | : 88 mm                                          |
| Equivalent Mass                 | : 10.2 g                                         |
| Magnet Weight                   | : 1400 g                                         |
| Net Weight                      | : 3690 g                                         |
| Fs                              | : 46.9 Hz                                        |
| Re                              | : 7.2 Ohm                                        |
| Mms                             | : 10.6 g                                         |
| BL                              | : 9.4TM                                          |
| Qts                             | : 0.28                                           |
| Qms                             | : 2.32                                           |
| Qes                             | : 0.28                                           |
| Vas                             | : 68 Ltr                                         |
| Xmax                            | : 1.0mm                                          |
| no                              | : 2.16%                                          |
| Material                        | Frame : CAST                                     |
|                                 | Cone : PAPER                                     |
|                                 | Surround : FABRIC                                |
|                                 | Damper : CONEX                                   |
|                                 | VC DIA : $\phi 35$ KSV 0.18 CCAW                 |
|                                 | Magnet : $\phi 145 \times \phi 50 \times 20$ Y30 |
|                                 | Short Ring : Cu Cap                              |
|                                 | Center Cap : Coating Fabric Dust Cap             |
